

COVID-19 PRECAUTIONARY MEASURES AT THE STANLEY HO SPORTS CENTRE

With effective from 21st September 2020

Due to the recent wave of COVID-19, the Active Kids Sports Club has put in place precautionary measures for gradually resumption of classes at the Stanley Ho Sports Centre.

A. Measures apply to everyone entering the Stanley Ho Sports Centre

- For the safety of others, all program participants, users and visitors **are compulsorily required to wear a face mask at all times** except during activities.
- Everyone will be required to undergo mandatory body temperature check at the entrance of Stanley Ho Sports Centre.
- Any individuals with temperature higher than 37.5°C and/or those who have respiratory tract infection symptoms will be asked to visit a medical professional instead of coming into the Sports Centre.
- Anyone who have had contact with a confirmed or suspected case of COVID-19, have returned to Hong Kong from overseas in the last 14 days, or had contact with a traveler from overseas in the last 14 days are advised to contact us at activecse@hku.hk to reschedule activity after the 14-day period is over.

B. Measures to be followed by Active Kids Participants and Caregivers

- **Only one parent/guardian** will be allowed to accompany each participant.
- For outdoor activities, face masks are not compulsory (training sessions will be designed to minimize contact) however those that feel unsafe are recommended to wear.
- Parents/caregivers must put on face masks and not to gather together on the side of the pitch/court.
- Please remind children to wash hands before and after the activities.
- Please remind children not to share foods and drinks to minimize the chance of infection.
- Participants please follow coaches' instruction at all time. For the outdoor soccer programs, side gates may be opened for exit purposes in order to reduce people gathering at the entrance.

C. Measures to be carried out by Active Kids Coaches and Program Operators

- All equipment will be disinfected before and after classes.
- Hand sanitizer stations will be available for participants at the pitches and courts. All coaches and participants are advised to wash hands regularly with hand sanitizer.
- Coaches will not allow anyone with respiratory tract infection symptoms to participate in the class.
- All activities will be conducted according to the Government latest precaution guidelines.
- Electronic whistles will be used instead of the tradition type.
- Stamps and high fives will be suspended for temporary measures.
- Blowing bubbles will be replaced with bubble guns for the toddler classes.
